Subject: State-wise Allocation of funds and physical target under IAY for the Year 2014-15.

Sir,

I am directed to forward herewith a Statement showing State- wise allocation of funds and physical targets under IAY for the year 2014-15(Statement-I). It is also stated that as per IAY guidelines, 60% of the funds are earmarked for SCSP/ TSP and 15 % for minorities. Accordingly, Statement-II showing category – wise physical targets i.e for SCs/STs and Minorities depending upon the population of these categories in each State, is also enclosed.

2. You are requested to intimate district-wise allocation of funds and physical targets to this Ministry immediately so that first installment of funds could be released. It may be ensured that the state-wise targets given for SCs/STs. And Minorities are not reduced. However, the targets from SC and ST can be inter- changed if there are no eligible beneficiaries from either of the two categories and it is certified as such. There may be a slight reduction in physical targets in respect of States with IAP districts because of higher unit cost of Rs. 75000/- in IAP districts.

3. It has also since been decided to restructure the Centrally Sponsored Schemes including IAY from the Year 2014-15, according to which funds under IAY will be released to the Consolidated Funds of States and not to DRDAs. The salient features of this changed procedure will be as follows:

(i) From the year 2014-15, State-wise allocation of funds and physical targets under IAY will continue to be fixed by the Central Government.

(ii) District- wise allocation and physical targets within the State will be fixed by the concerned State Government based on the guidelines.

(iii) As stated above, there shall be separate funds to the extent of 60% earmarked for SCSP/TSP. 15% of funds and physical targets will continue to be earmarked for Minorities. The States will ensure that at least 3% of the beneficiaries are from among persons with disabilities.

(iv) Funds will be released directly to the consolidated funds of States and UTs with Legislature and necessary provision will be made in the Central Budget under Major Head '3601' and '3602' for release of programme funds to States and UTs respectively.

(v) Thereafter, the Central share must be released to the bank accounts dedicated to IAY within 3 days of their receipt from the Central Government and in the event of failure on this account, the States will be liable to pay the interest @ 12% per annum for the period of delay. The Central Government may also consider stopping further releases. The State share should also be released within 15 days from the date of release of Central share. In case of shortfall in State share, corresponding amount of Central share will be deducted from the second installment. The factum of release of these funds must be registered in the Central Plan Schemes Monitoring System (CPSMS) of the concerned Implementing Agency i.e. the DRDAs/ZillaPanchayat and below.

(vi) The States will ensure that Bank Accounts receiving IAY funds in DRDAs once registered should not be changed. The Ministry has faced delays in releasing funds to DRDAs due to this.

(vii) The States will ensure that MIS-AwaasSoft is kept up to date by the districts and progress reflected in the MIS would be considered as actual progress.

(viii) The sharing of funds between the Centre and State will continue as per the existing funding pattern.

(ix) The first installment of funds (50% of total allocation) shall be released in the beginning of the year to those States which had obtained 2nd installment of the previous year (2013-14) without any condition. In case, the 2nd installment of the previous year was released with some condition or was not released, the first installment will be subject to fulfilling those conditions or submission of proposals, as the case may be.

(x) The second installment will be released on submission of a proposal with Utilization Certificate(for State as a whole)for the funds received during the previous financial year, Utilization Certificate for funds received during the current financial year with district-wise expenditure statement, a certificate that Utilization certificate/Audit

Report and Bank Reconciliation statement for the previous financial year have been received from all the districts and these have been examined and found to be in order. The certificate will specifically mentioned that the Audit Report does not refer to any irregularities on which ATR is required or the ATR on the observation have been received and are enclosed, other documents required as per guidelines/checklist.

(xi) In the case of UTs without a legislature, however, the expenditure will be shown under the existing functional Major head of the scheme and the UTs will be authorized through an administrative sanction, to incur expenditure and thereafter to get reimbursement through the P&AO.

(xii) 5% of the total IAY allocation will continue to be kept aside at the Central level for natural calamities/other special projects and will be released to the States on proposals submitted in the prescribed format along with the requisite certificates as per prescribed checklist, for approval of the Empowered Committee.

4. You are requested to issue necessary instructions informing all the DRDAs/ZPs within the State and to take effective steps for implementation of IAY, as restructured, from the year 2014-15.

Yours faithfully,

Vijaya Srivastava,

Joint Secretary to the Govt. of India.
